

## 2003A Bond

# Fire Station #1 Remodel \$4,300,000

---

### PROJECT DESCRIPTION:

Funding for a portion of the thorough renovation of the interior of the station. The renovation will likely include: renovate and separate dormitory and bathrooms, seismic retrofit, upgrade windows, doors, lighting, security and overall energy efficiency of the building.

### PROJECT MANAGER:

Brian Bosse,  
Redevelopment Supervisor

---

### NOTES:

The Agency provided an additional funding of \$1,000,000 in the FY 2007 budget. The current balance of this account is approximately \$3,750,000.
